PRINCIPAL'S MESSAGE

In this uncertain world and with an uncertain economy, now more than ever our children need us. With the holiday season approaching, children think of gifts and the old saying "Less is more" does not mean much. Love and caring do not have to be bought and giving our time to our children has a great pay off for both child and parent. Spend your time wisely. With a long holiday break we will all have plenty of time to share with the ones we love.

Hoping the best for you and your family.

Sincerely,

Gregory A. Hobaugh
Principal

Ed Speak* word of the month:

Year-round schooling: A modified school calendar that gives students short breaks throughout the year instead of a traditional three-month summer break.

Canfield Angels will be placing ornaments on the tree in the rotunda with information about families who have students in our school. These families are experiencing financial difficulty and we would like to make their holidays joyful. If you would like to help, come in and pick an ornament. Donations can be dropped off in our guidance counselor, Mrs. Naclerio's, office.
