PRINCIPAL'S MESSAGE

We are back from break and ready to hit the ground running. With the second marking period closing on the 20th, we are quickly approaching another reminder of how fast this school year is going.

A new year brings new resolutions. Pick up a new book to read or a hobby to explore. January 1st allows us the opportunity to try something that we have always wanted to do. Even with hectic schedules don't look back on 2011 and wish you did something you intended to do.

Only you can change your life or make the world or your children's school a better place. I encourage you to take a more active role in enhancing your children's educational experience.

Sincerely,

Gregory A. Hobaugh
Principal

Congratulations to Mr. Richardson, and The staff for providing two outstanding student performances this holiday season

Great job to all student performers!

Dress Warmly

Students might be inside during drop off hours but as the day warms up and if the fields or Canfield Avenue parking lot are not snow covered students could be outside for recess. Our goal is to provide students with the maximum amount of outdoor time as possible.

Canfield Angels

Thank you to everyone who generously donated items to make this holiday season joyful for families in our community.
